

# HOW IT WORKS FOR YOU

### Ensuring Access to the NavDx® test

Naveris is committed to ensuring patients have access to NavDx testing by providing patient support services as well as financial assistance to those who qualify. Naveris manages the process by:

- ◆ Submitting a claim to your insurance plan from the information that you provide to Naveris
- ◆ Helping interpret the explanation of benefits (EOB) that you will receive from your insurance plan
- ◆ Helping appeal a claim that is denied by your insurance plan

### NAVERIS® *cares* Financial Assistance

Naveris is committed to ensuring that the cost of NavDx testing is not a barrier to testing. You are only financially responsible for your insurance plan-associated costs for the NavDx test (such as coinsurance and deductibles). You may qualify for financial assistance with your out-of-pocket expenses through the Naveris Cares Program. To be considered, please submit an application.

- ◆ A **Naveris Cares Program** application is available from our Billing team at (833) 628-3747 or by request at [billing@naveris.com](mailto:billing@naveris.com).
